IN AN EVER-CHANGING WORLD...

MOTOROLA BRINGS IT INTO FOCUS.

Our industry is constantly changing. It's important for you to change with it. Where do you go for your changing communication needs?
Motorola.

For over 60 years, Motorola has provided the focus on quality, systems design and customer service. A focus on solutions to ever-changing challenges.

We invite you to call a Motorola representative, who can demonstrate how our newest solutions:

- the Spectra clean cab radio
- the PHD-5000 system
- and the PHD-2000 ATCS system

can solve your changing communication needs.
